## Request for Additional Fourth Quarter - FY 57 Allotment

1. It is requested that an additional fourth quarter, FY 57, allotment for Project QRCROOND be approved in the amount of \$1000.

2. The QRCROOND case officer submitted a low estimate in January 1957 which did not take into account the following expenditures:

a. An additional \$600 for Rents and Utilities. A safe apartment in Salzburg, Austria, was to be dropped, but the expected PCS presence in Salzburg of a KUBARK staff employee led to the decision to retain the apartment, at least temporarily. The apartment's monthly rental was \$56. (ANS 1400), then reduced to \$40. (ANS 1000), plus a \$3.00 a month charge for cleaning and heating.

b. An additional \$300 for repairs to QRLAUNCH-1's vehicle. (The QRLAUNCH Project is a part of the QRCROOND "roof" Project.) Headquarters refused authorization to purchase a new or used car for QRLAUNCH-1's use, but authorized in EXMA - 2962 dated 4 October 1956, necessary repairs for his present car. These repairs totalled \$300.

c. An additional \$100 to cover an increase in QRRPAIR-3's salary. This agent had been receiving \$40 (ANS 1000) per month, but the former case officer had told agent he would receive a salary increase (unspecified amount) when he had acquired two particular sub-agents for us. In the fall of 1956, QRRPAIR-3 had done so and in January 1957, agent reminded present case officer of the promise of a salary increase. Whereupon case officer granted a \$20 (ANS 500) increase. This increase covering a six-months period - January to June 57 - amounts to \$120.
